## CARIBBEAN SUNSETS

Live the magic and the secrets of the Colombian Caribbean with this unique boating experience. Your trip will start with the fascinating city of Cartagena De Indias, the crown jewel of Colombia's Caribbean Coast and UNESCO World Heritage Site.

This Colonial town full of history, legends, and sheer beauty will enchant you from the moment you stroll through its maze of cobblestone alleys and balconies adorned with buganvilias. You can take time out at one of the city's many open air cafes and picturesque plazas. You will enjoy all this and more in our full day tour. At night you will be inspired by the vibrancy of its people, the variety of charming restaurants, and atmospheric bars that give this city a unique character.

To complement this experience you will take a six-day private cruise in the Caribbean Sea aboard a Catamaran "Lagoon 440" with all the comfort and luxury you deserve, including full board and menu options to choose from. You will sail to the Archipelago of San Bernardo Del Viento, a wonder not to be missed, a network of mangroves, crystal seas, private islands, and the friendliest locals you'll ever meet. Spend a magical night exploring phosphorescent lagoons, go spearfishing with a local, enjoy a drink at the incredible *Casa en el Agua*, crack into a freshly caught lobster, or lunch on barracuda ceviche.

When you anchor in Cholón lagoon, you will be blown away by its warm waters of emerald green color, in a context of majestic mountains where you can enjoy the sunset. Or relax in a hammock when you visit the picturesque, charming little nearby island of Playa Azul. You can also anchor on Tintipán Island, the largest of the archipelago, with its many coral reefs it makes this place ideal for snorkeling. In the evening you'll be amazed by the natural spectacle of the luminous Plankton tour. Explore the Fuerte Island before heading back to Cartagena.

If you'd like to extend your Caribbean Trip, you can navigate until Capurganá and Sapzurro in Colombia or cross the border of Panama and discover the San Blas archipelago. We will tailor-make your experience unique and unforgettable.
